FIFTY-FOURTH ANNUAL REPORT—1946

The Report for 1946 records a year of steady accomplishment and three important features ; firstly, the enactment of the National Health Service Bill into law on November 6th, 1946 ; secondly, the amazing resiliency of voluntary contributions in face of almost hopeless discouragement ; and thirdly, a decline from a sound to an unsound financial position, caused entirely by the steep rise in costs, particularly labour.

1. SERVICES.

The Statistical Tables reveal a further increase of work. New In-Patients rose from 1,953 to 2,012 and Out-Patient attendances from 82,221 to 85,561. Only 15 beds are now reserved for the Emergency Hospital Service and, in consequence, practically the whole of the services were devoted to the treatment of civilian patients.

2. FINANCE.

Contrary to expectations, voluntary contributions were maintained on a generous basis and produced £40,915—an increase of £577. In addition, the Endowment Fund was augmented by a substantial gift of £1,000 from the J. H. Turner Memorial Fund, to commemorate the memory and services given by the late J. H. Turner to the Road Transport Industry.

Unfortunately the Government's policy of higher wages and shorter hours of work resulted in an enormous all-round rise in expenditure by £9,177 to £48,756 and, as a result, the deficit on the year was £7,841. The cost per In-Patient per week has risen from £6 1s. 8d. to £7 11s. 6d. and, as there are no signs that the inflationary trend is being arrested, costs will be substantially higher still for 1947. The present and future implications of this process, which the Management is powerless to arrest, except by reducing or impairing the efficiency of the services, is gravely disturbing.

3. BUILDINGS AND EQUIPMENT.

Improvements effected during the year, include the provision of a Basal Metabolism apparatus ; wash-basins for Fifoot and Furness Ward bathrooms ; a new Wireless ; new

easy chairs for all Wards ; Hot-closets for the Kitchen and Nurses' Home ; enlargement of the Registration Office and the provision of nesting chairs for the Out-Patient Department. Orders have been placed for converting the former Cleansing Station at the Rehabilitation Centre into an Occupational Therapy Unit and for additional X-Ray apparatus and new Food Trolleys.

4. HONORARY STAFF.

Post-War re-organisation and effluxion of time, resulted in many changes amongst the Honorary Medical Staff, including the following resignations, which were accepted with regret :—

Mr. F. C. W. Capps, Hon. Aural Surgeon.
 Dr. E. Rohan Williams, Hon. Radiologist.
 Mr. T. M. Tyrrell, Hon. Ophthalmic Surgeon.
 Dr. Henry Wilson, Hon. Psychiatrist.
 Dr. G. E. Harre, Senior Pathologist.
 Mr. E. Gwynne Evans, Aural Registrar.
 Miss M. Moore-White, Gynæcological Registrar.

Appreciation and thanks for their valuable services to the Hospital have been expressed and recorded in the Minutes and Mr. F. C. W. Capps, Dr. Rohan Williams and Dr. G. E. Harre were elected members of the Hon. Consulting Staff under Regulation 29.

A cordial welcome is extended to the following new members of the Hon. Medical Staff, appointed during the year :—

Dr. A. L. Wingfield, Hon. Physician (Away in the Services temporarily).
 Dr. D. Gordon, Hon. Radiologist.
 Mr. A. Radcliffe, Hon. Aural Surgeon.
 Sir Paul Mallinson, Hon. Consulting Psychiatrist.
 Dr. F. Dudley Hart, Temporary Hon. Physician.

5. SENIOR STAFF.

The Matron, Miss D. Filmer, retired under the age-limit Regulations and thanks for her ten years' service and good wishes for her future were expressed in tangible form by the presentation of a cheque, subscribed by members of the Council of Management.

A hearty welcome is extended to her successor, Miss M. B. Adams, who has commenced to discharge her important duties with skill and energy.

Mr. D. A. Huguen-Tobler resumed his duties as Assistant-Secretary after demobilisation from the services and Dr. A. A. Lovell was appointed Medical Registrar, Dr. A. B. Hill, Second Pathologist, and Dr. G. Norris, Assistant Medical Officer in Physical Medicine.

6. PRESIDENT, CHAIRMAN AND COMMITTEES

Mr. H. Nevil Smart was appointed to the office of President by the unanimous wish of the Governors and Subscribers and congratulations were recorded to him on his well-merited honour. By the unanimous vote of the Council, Mr. G. W. Gibson was appointed Chairman of the Hospital and Mr. W. H. Maeer Vice-Chairman.

The Rev. H. Snell was appointed Hon. Free Church Chaplain and the following members were added to the Council and Committees :—

Council of Management : Mrs. Batchelor.
Dr. Mabel Brewster.
Mr. A. F. Catlin.
Mr. and Mrs. J. A. Clark.
Mr. M. Orbach.
Mrs. W. H. Ryde.
Mrs. Stanton.

Executive Committee : Mr. L. J. Sparke.

Finance Committee : Mr. A. F. Catlin.

The resignations of Mr. J. C. de Looze and Miss H. F. Bovill from the Finance Committee and of Mrs. F. Naimaster from the Council of Management were accepted with regret and thanks for their services expressed.

7. LIFE GOVERNORS.

In recognition of outstanding services to the Hospital, the following were appointed Life Governors :—

Miss M. E. Adams	Mr. F. W. M. Pratt
Mr. H. W. Emmins	Mr. L. J. Sparke
Mr. R. J. Gregg	Dr. F. R. Sturridge
Mr. F. A. Kup	Dr. T. Pearse Williams
Mr. W. H. Maeer	

8. OBITUARY.

We regret to record the deaths of Lord Blanesborough, a Patron of the Hospital, and Mr. Stanley Gibbs, a former Honorary Treasurer, to whose relatives is expressed sincere sympathy in their bereavement.

9. ACKNOWLEDGMENTS.

The J. H. Turner Bed in Fifoot Ward was dedicated by the Rev. W. I. Bulman on July 4th, in the presence of members of the family and the J. H. Turner Memorial Fund Committee, who gave £1,000 to the Endowment Fund.

The "Willesden Penny-a-Week Fund", organised by Alderman and Mrs. J. A. Clark, has now raised over £2,000, and the Willesden Cycling Club Memorial Fund has made a splendid start by raising £320 towards its target of £500 to endow a Cot in memory of their members who made the supreme sacrifice during the War.

The good work of the Appeal Committee, in face of great discouragement, is beyond praise and gladly acknowledged. Appreciation is also expressed to the Box Collection Committee, the Ladies' Linen League and the Ladies' Working Party.

Grateful thanks are also recorded to the Honorary Medical Staff and the Honorary Officers, the Honorary Solicitor, the Honorary Chaplains, the Honorary Surveyor, the Honorary Electrical Engineer, the Honorary Treasurers, the Willesden Chamber of Commerce, the Local Press, the St. John's Ambulance Brigade, the British Red Cross Society, the Dominions of Australia and New Zealand and the Ministry of Health, the Honorary Librarians, the Blood Transfusion Service, Police and Fire Brigade, for unstinting help most willingly given. Tribute is also paid to the Nursing, Domestic, Works and Administrative Staff, with special mention of the Secretary, for their excellent and loyal service.

10. FUTURE.

Under the National Health Service Act, the Government propose to take over all Hospitals on the 1st April, 1948. Meanwhile, the Council of Management has decided on a policy of maintaining the Hospital's services at the highest level of efficiency and to continue to invite voluntary gifts for both capital and revenue purposes. As there are as yet no signs that the present inflationary trend is being retarded, there never has been a greater need for generous contributions and we appeal to all friends not to be discouraged by uncertainty or doubts, but to continue to help in every possible way.

Negotiations for taking over St. Monica's Hospital have reached an advanced stage and, when complete, will provide both much-needed additional accommodation and a further substantial increase in expenditure.

Do not grow weary in well-doing—

Charity never faileth.

G. W. GIBSON,

Chairman.
